Civil Revision No. 452 of 2001
(Old No. 188 of 1998)

Chief Engineer Bareilly
Zone, Sarvatra Bhawan Station
Road Bareilly Cantt. ……..Applicant

Vs

M/s Marshall Corporation
Ltd. 2 Chowrandge Approach
Calcutta. ……Respondent.

Date: - 18.9.2004

Hon'ble Rajesh Tandon J.

Heard Sh. Nand Prasad learned counsel for the revisionist and Sh. Arvind Vashisth learned counsel for the respondent.

By the impugned order, he has challenged the order dt. 26-5-1998 by which interest has not been awarded at the time of disposal of the application No. 30 or 33 of the Arbitration Act. By the present application the interest has been allowed. Aggrieved against the order, present revision has been field.

I find no infirmity in the order. The objections Under Section 30 and 33 of the Arbitration Act has already been rejected on 12-5-97.

The Civil Revision is dismissed. No order as to costs.
